From Dr. Gaby Cora

"I became a medical doctor at the age of twenty-four, graduating with honors while I was also a mother of two. Years later, I pursued a master's in business administration, striving to integrate health, wealth, and well-being."

Speaker at national and international conferences

Inspirational Speaker

Leadership &
Well-Being

- Leading Under Pressure
- Alpha Female Leader
- Health & Well-Being

Leadership Consultant

While many struggle whether or not they can do everything Dr. Gaby believes you can, but need to choose to do one thing at a time. As a business advisor and strategist, she guides C-level executives while they are leading under pressure with the ultimate goal to reach their potential while also experiencing The Power of Wellbeing®.

Wellness Coach

Dr. Gaby's purpose is to inspire you to achieve your best as you master your business pressures while staying healthy. She combines an inspirational message with twenty years of experience helping people achieve their peak performance and productivity while enjoying success and well-being.

Media Expert

Dr. Gaby has been a regular guest on national media including print, radio, and television since she was a researcher at the National Institutes of Health in 1995.
